Deck Cadet

10/2022 - 12/2022

[Anglo-Eastern](#)

London, United  
Kingdom

Bulk Carrier

- My duties include assistance with preparations for departure and arrival at port. I was tasked with carrying out inspections on the vessel's safety and lifesaving equipment. Inspection involves checking for any issues and repairing equipment if necessary, as well as making a note of equipment expiry dates and ordering replacements if those dates are about to expire.
- In the second contract, I was involved in carrying out navigational watch with 3<sup>rd</sup> Officer.
