### Computer Skills

- MS Office programs (Word, Excel, Outlook, Powerpoint)
- Programming/Coding and Robotics Specialist
- Adobe Photoshop
- Web design and programming languages at beginner level
- Loadicators, loadmasters, draught survey and stability programs such as Deltaload, SM and Macs3

### Additional information

My educational background from a reputable maritime faculty in Turkey has provided me with a strong foundation upon which I have built my analytical and computational skills. With about 12 years of seagoing experience as 3rd, 2nd and finally chief officer, I have acquired in-depth knowledge of operations on different types of vessels from bulk carriers and general cargo vessels to liner roros and from crude oil and chemical tankers to container vessels and also in-depth knowledge of handling a wide range of different types of cargos from steel products, grain cargos, coal and ores to cars, trailers on ro/ro vessels and several chemical and petroleum products.

Additionally, I have in-depth knowledge and experience of stability and hull stress calculations, cargo planning, draft survey operations and I participated in plenty of port state control inspections and also vetting inspections regarding to effective and safe management of chemical and petroleum tankers, performed by CDI and major oil companies such as Shell, Bp, Total, Cepsa, Repsol etc. Moreover, my dedication to self study, ability in solving problems, extended and advanced knowledge of commercial aspects of the maritime contracts are indicative of my commitment to hard work, excellent time-management and decision-making abilities. I would like to acknowledge that the combination of my skills and work experience would allow me to make a valuable contribution to the continued success of any employer. The opportunity to be a valued member of your company would be a challenge and a wonderful experience for me.

## **Hobbies**

I am a licenced lecturer who gives basic and advanced maritime/shipping/seamanship lectures in a private maritime school located in Samsun/Turkey.

I am a certified pc programming/coding and robotics specialist and teacher.

I am also a visual artist/painter with a big fun base with my photorealistic pencil and mixed media drawings, a poet and quote writer, an amateur musician who plays different instruments.

Besides, I am a licenced football player, a licenced swimmer/diver, a licenced fighter who has black belt in taekwondo.

Some of my other hobbies are socialising with family and friends when I am on leave, reading science and technology magazines, solving puzzles, fishing and nature walks.
