Dear Sir!

I am extremely grateful to all your attention to my person as candidate to position “Navigation Officer” to the one of the vessels of Your Company.

BRIEF AUTOBIOGRAPHY: Baylarbayov Rasim Alim

I was born in 1970 in Baku city in the doctor’s family.

I know what the “hard work” is it from my childhood, because I had to take care of my mother and sister.

In 1987 I finished Russian sector of Baku city secondary school No.9, in 1987-1989 years I passed serving in Soviet Army in Middle Asia in motored–shooting forces, in region boarded with Afghanistan and Iran. I had to take part in hostilities against armed formations for protect the civilian people. After the Service I returned to my home city and started working in the state enterprises and offices, including the Armed Fire Service of Azerbaijan Republic.

In 1995 I left at Astrakhan region, Russian Federation to work on the fishing flotilla’s ships. After 1 month of working there I was appointed as Team leader and 1-st Class Helmsman. In 1999 I returned to my home and was employed for the “Caspian State Shipping Company”. My working regions was: Caspian Sea, Black Sea, Mediterranean Sea, Atlantic Ocean (Bay of Biscay), all kinds of vessels with maneuvering operations in Bosphorus, Volgo-Don Canal, Gibraltar etc. I had worked there up to 2006. From 2006 to 2008 I was employed for “SIR-Group” and “Altes-Group” security companies, assigned to "safety leader" position. I have good knowledge and experience with working of hotels, hostels and so on. From 06.05.2008 up to 05.12.2008 - my assignment was in Emergency Situations Ministry of the Republic of Azerbaijan as a Navigation Officer - Rescue Team Leader, where I was demobilized with contract termination. I can read the Buildings Plan, Fire Plans etc.

In 2010-2011 I was admitted to “Palmali Shipping” company (Malta). From October 2011 to July 2012 (contract was terminated) – Skipper/ Captain-in-Charge in Port of Baku, Azerbaijan Republic.

In 2012 to 2013 I took part in several contracts for some private vessels as navigation officer, which transported humanitarian goods at Libya and Egypt. All kinds of my work done within compliance of ISPS, SOLAS, MARPOL and other International Conventions.

From September of 2013 to January of 2015 – Chief of Laboratory of Navigation of Azerbaijan State Marine Academy, where I was designate with order of ASMA Chancellor, Prof. Bashirov personally. My responsibilities was a looking for sufficiently condition of the training navigation environment, preparation of training projects and working with students.

From 04/2016 to 12/2016- I was Captain-skipper to the one of the head important projects for Azerbaijan - “BP Exploration” and “FESCO Geokinetics” companies consortium as SWAP (Shallow Waters Absheron Peninsula), Captain on “TZ-3226” VSGA (Very Shallow Gun Array) vessel. Our responsibilities and work environment:

Use of seabed seismic acquisition method using a number of source vessels as determined by water depth:

- 1) 0-2m water depth (Transition zone): Two industrial grade Very Shallow Gun Array (VSGA) vessels be used equipped with a compressed air operated energy source operating during daylight hours only;
- 2) 2-5m water depth (Very shallow water zone): One similar but slightly larger industrial grade boat equipped with a compressed air operated energy source array operating during daylight hours only;
- 3) More than 5m water depth (Shallow water zone): Two aluminium hulled catamaran vessels each equipped with a compressed air operated energy source array operating 24 hours a day. Pressure level : 5 Bar.

Reason of leaving — Termination of contract.

From 08/2017 to nowadays – Training Master of the “SOCAR”’s Teaching Training and Certification Departament, where we train members of oil companies with ISM Code for self surviving techniques , BOSIET, HUET, FOET ,including also "HAZMAT", "IMDG", tankers familiarisation, industrial divers preparation and so on trainings .

My education :

- 1) Azerbaijan State Oil Academy- mechanical engineer, Bachelor degree.
- 2) Azerbaijan State Marine Academy—Navigation and Ship Management faculty, Bachelor degree, Rank—Officer of Navigation for vessels over 500 tons gross tonnage without limitation of sailing.

As end – I had to take “Dynamic Positioning Operation” courses certificate from “Lerus” training center” Odessa.

I have a few Free Science Projects such as “GMDSS and Satellite’s Connections” Lectures Complete for “Radio-engineering and Electronics” faculty. I was asked to prepare “Instruction for connecting “Standard-Anschutz” Gyrocompass with Navigational devices”.

I have good skills of Computers Literacy and interest of these technologies.

I perfectionist, honest to integrity.

I see my profession as possibility for intellectual and mental progress. I am sportsman, resistible to physical pressures. No drinking, no smoking, no drugs, no gambling, no previous conviction.

Morally stable, devoted to family values and to profession.

Never argue orders. Sociable and contactable.

Certificates and endorsements are ready. Exactly specialist.
Readiness – 10 DAYS BEFORE BEGINNING OF ANY CONTRACT.
Language skills: English - Upper-intermediate, Russian - native,
Turkish - native.
Nationality: Azerbaijani, multilingual Baku city-man.
Racial and Religion Tolerance.

P.S. : Dear Sir!

Some of these, I write here about my person, I can't confirm to document because my country is in the situation of war with neighboring country and all confidential information stored in governmental archives.

But all my life I have sought to improve my own professional skills and each new contract is a new chance for my mental development.

So, if you, Sir, for enough, seriously think about recruited me at your company, I'll do everything to justify your hopes for me.

Human Life and Officer's Honor is over than any other reasons!
