

CURRICULUM VITAE

EDUCATION

Karataş Anatolia High School

September 2016 - June 2020

My education at Anatolian High School deepened my interest in language, literature, and social sciences. Throughout this process, I enhanced my language skills and strengthened my intellectual abilities through the teachings of my educators. Literature courses were particularly impactful for me; I gained the ability to understand and interpret different cultures.

EXPERIENCE

Busquitte

2020- 2021

I gained my first professional experience at Busquitte Restaurant, where I worked as a waiter, acquiring valuable expertise in teamwork and service. During this period, I developed effective communication skills with customers and strengthened my ability to coordinate efficiently in a fast-paced work environment. Additionally, my efforts to ensure customer satisfaction during this time allowed me to become familiar with the dynamics of the service industry.

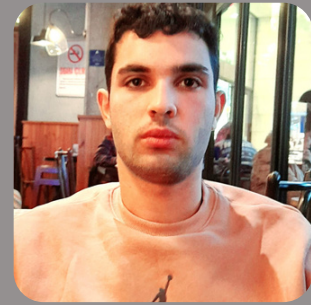

North Piers

2021- 2023

I worked as a Bar Back at North Piers, where I had the opportunity to learn about various cocktails and types of alcoholic beverages. Through this experience, I gained competence in beverage service and bar operations.

- Maintaining the organization of the bar and tracking beverage supplies.
- Establishing effective communication and collaboration with the bar team.
- Preparing and serving customer orders accurately.
- Learning about different types of alcoholic beverages and cocktails, providing recommendations to customers.

Working in this position enabled me to gain experience in the beverage industry and enhance my ability to provide quality service to customers. Additionally, working in a busy and dynamic environment strengthened my skills in efficiently and quickly fulfilling my duties.

HAKAN KAVAK

Bar Back

Since my high school graduation, I have held various positions in the service industry, embracing the importance of customer-oriented work. With my strong communication skills and inclination towards teamwork, coupled with my experience in the service sector, I aim to contribute to the improvement of your business. With my high energy, solution-focused approach, and open-minded personality, I am ready to successfully take on responsibilities within your company.
