COVER LETTER

Good afternoon Ladies and Gentlemen.

I would be very grateful if you consider me person as a candidate for the position of 2nd officer of your good company.

I am an astute, highly motivated and safety focused **MARINE UNLIMITED OFFICER IN CARGE OF A NAVIGATIONAL WATCH** with over 22 month proven experience in a variety of merchant fleet industries, such as Ordinary Seaman. And 36 month in rank as a 3rd Off and 2nd Off..

At 2015, I have graduated from Naval Academy of AdmiralNakhimov, Russian Federation for getting degree of Master of Marine Navigation.

About myself:

I am really known what I’m want and strictly follow my own targets, every time improve my personal skills. In short time, can familiar with any new equipment on bridge. Easily familiar with company’s QSE systems. Have clear reports of PSC from different ports like U.S.A., Russia and Brazil, India, Egypt, U.A.E, Africa, I have also passed different Vetting without and observations. Always keep in perfect condition all my documents and papers onboard. Strictly follow all company’s procedures.

Like a team leader, I do not afraid of difficulties and can easy to find common language with different ethnic and religious groups.

I can easily master the unfamiliar equipment, software and machines for get new experience.
I also strive to improve skills using a variety of technical literature, programs and courses.

My positive references and recommendation from previous companies can be provided, if necessary.
I wish to place my experience at your disposal. I strongly believe that my knowledge and skills can quite beneficial to your company.

I would be interested in meeting with you to discuss further the possibility of my joining to you and get to know your requirements and looking forward to hear from you soon.

Summary:

I am passionate about my role and the parts I play in a high performance maritime team and work hard to inspire the same passion in others. With a sharply analytical and systematic thinking process and a proven talent for problem solving; I add value to all the positions and teams I have worked with.

I have a proven ability to respond to complex and shifting situational demands, working successfully within high-pressure environments when needed to do so. I demand high standards of myself, and enjoy mentoring and coaching others to do the same. My process focus and specialist skills have enabled me to enforce and enhance workplace health and safety including motivating my teams to adopt the highest safety standards and in order to maintain improved safety records. Near enough is never good enough!

My key strengths lie in leadership, innovating to face new challenges, risk analysis and mitigation, combined with in depth knowledge and experience in a variety of areas.

**BRGS
Chief Officer**
