About Me

After working as a waiter, bartender, and assistant cook in restaurants for many years, I decided to work on ships. Since I worked as a cook in the military during the war, I learned to overcome difficult conditions and be disciplined. Therefore, I do not think that my job on the ship will be difficult for me. I have received all the necessary training and I am looking forward to finding my first job and showcasing my skills. English: Upper Intermediate, Russian: Elementary, Turkish: Advanced, Azerbaijani: Advanced
