About Me

I have worked in different shipping companies with multinational crew over then 25 years; sea training with highly qualified training personnel, 4-year education in Marine School. Worked in environment requiring high level of coordination between ship owners, charterer, ship agent; working with multilingual staff, requiring a good knowledge about cultural, religious and other differences in relations between people. Good theoretical knowledge, working with navigational, and communications equipment on the GMDSS system, radars, ARPA, technical knowledge and practical skills on stowage, segregation and cargo lashing. Good knowledge of MS Office products – Microsoft Word, Microsoft Excel, Microsoft Access, Power Point etc. Well operation with TM-Master & MX-Suite programs. I had been working with many Oil Company such as BP, Total, Shell, ExxonMobil, Gulf, Petronas, Petrobras, and Gazprom etc. Good experience in-line bunkering operations and personnel transfer at sea, carrying passengers up to 60 person's on board from port to prospect area at sea (including 10 person's crew). Providing a crew change for seismic vessels at sea via WB from Davit to Davit; towing experience of seismic vessels, recovering from sea surface of seismic equipment, close pass Oil Rigs with assistance to seismic vessel and as Safety Standby Vessel. I have good experience working with Pipe Lying Barge as a Barge Supply Vessel (carrying pipes for PLB in Caspian Sea, Baku region for McDermott company). Also on vessel with two ship's crane on merchant vessel. I am now looking for an opportunity that can enhance my skills and capability in big organization in that I am willing to insert all my efforts and work hard to achieve goals and to be successful employers. I identify myself as responsible, well organized, hard-working, easy learning, communicable and honest person; do not have bad habits. I able to work under pressure and in severe environment. Always developing myself and motivating people around me.
