Additional information

Good day!

My name is Dumanskyi Artur, 2nd Officer.

9 years with current employer where I started as Deck cadet and passed through all ranks on LPG and LNG carriers. During my sea service as second officer, I performed navigational duties professionally at the top standards of LNG shipping industry. Improved skills related to LNG cargo handling by caring out numerous loading and discharging operations under supervision of competent mentors. Also, I have taken part in Dry Dock few times. During my time being on board, I have passed Port State Control, CDI, SIRE, USCG inspections, etc.

Best regards

Arthur Dumanskyi
