Health: Fit, healthy

OBJECTIVE

I feel strongly and passionately about following a career in the marine engineering or other technical industry where I can combine all my skills with my outgoing nature. I would like to continue to learn more and become a stronger, more knowledgeable and skilled marine engineer. I am happy to travel to any location.

PROFILE

I am extremely motivated, hard working and reliable individual. I am flexible and adaptable and comfortable in new situations. I am able to communicate well with all age groups, excellent leadership abilities and I enjoy working as part of a team. I take pride in my appearance, punctuality and attitude.

CERTIFICATES /QUALIFICATIONS

- The ZAB Statement of Comparability /zeugnisbewertung für ausländische hochschulqualifikationen.
- Watch keeping engineer /Second engineer certificate of competency up to 3000kw.
- Chief engineer certificate of competency 3000 KW.
- STCW training certificates.
