Education: Maritime Academia 3-rd engineer 2012		Knowledge of other languages: English
Specialty: Engineer		Lathe machine skills: Perfectly
Second (relative) specialty: Fitter		
		Welding skills: Perfectly
Next of Kin		
Next of kin: Mother		Phone: + 380963312084
Name, Surname: Lidia Kurenkova		Address: Izmail, Shevchenko str. 7/74
	Biometrical data	
Sex: Male	Height: 178	Overall size: 56
Eyes color: Blue	Weight: 95	Shoe size: 44

My name is Igor Kurenkov. Please consider my CV for the position of 2nd Engineer.

I am a reliable, serious, loyal and responsible candidate with a good ability to learn fast.

English level - Good. I have been working at sea since 2000,

Before graduating from the Maritime Academy and becoming 3 third Eng., currently licenced as a 2nd Engineer.

I worked as a fitter for about 15 years.

I have a very rich experience in repairs. I have skills in all types of welding and working on a lathe.

I make repairs and restore all types of pumps and other marine equipment. Great experience in dry dock.

I have seagoing experience in mixed crews on refrigerator, container, dry cargo, chemical, oil, LPG,LNG tankers. The indispensable experience gained at B&W, the power of 17,000 horsepower and less than various modifications. Constantly involved in various repairs, replacing pistons, rings, bushings, exhaust valves, indicator diagrams of the main machine, maintenance of auxiliary characteristics and their repair.

I have excellent knowledge of mechanics. Work with engines of various types and interesting engines. They also participated in the repair and maintenance of auxiliary engines, brands such as MAN, B&W, CAT, Daihatsu, Dual Fuel Diesel Electric/18940kW, the purity of various heat transfer refrigerators, replacement of nozzles, exhibition valves, washing turbines, removing thermal gaps, changing and replenishing oil et al. Separators of such brands as Mitsubishi, Alfa Laval. Constant participation in bunkering, measurements and calculations of fuel and in the rules of fuel acceptance. MARPOL, etc. I know how to use a bilge water separator (OWS). He did an inventory of spare parts, made notes on the supply of spare parts.

I have only positive characteristics from previous jobs. I identify and eliminate various defects and breakdowns. I am able to work with a document, read and understand the various schemes of the vessel.

I draw up applications, fill out documents. I always try to take part of the work of mechanics.

I have a good command of a computer, programs: WORD, ADOBEREADER, EXEL, ADOBEPHOTOSHOP, set up a network. Good spoken English, including marine technical.

Responsible, easily trained, sociable, I have experience in mixed crews. Available all documents in accordance with the STCW graduated from Odessa Maritime Academy. At the moment I work in the position of the 3rd engineer. Worked on many types of main engines (MAN B&W. WARTSILA. MAK), auxiliary engines (MAN B&W, CAT, and Daihatsu).

I am constantly adopting the experience of a Chief Engineer and a second engineer and will soon increase the rank. Positive passing SIR, CDI and port control inspections;

I have all necessary STCW documents, such as:

Watch Engineer cert, Engine room Management,

Advanced Training for GAS TANKER, Certificate of Proficiency SHIPS WELDER

US visa (valid till 22.01.2029).

All documents are actual and valid. Looking for position 2nd Engineer.

Please save my CV. I hope that my experience and qualification conforms to your requirements.

Thanks in advance!
