About Me

Dear Sir or Madam, I am writing to express my strong interest in joining your company as an Navigation officer. I believe my experience would make me a great candidate, as well as an asset to the crew. I have very strong work ethics as well as attention to detail. I always ensure that the task is done completely without any oversights. I have a lot of experience in managerial positions however I am also able to fulfil orders given by others as well as my peers. Prior to my experience in international waters, I have served for the Azerbaijan Navy Forces for 1 year as Executive Captain and 8 years as Captain after I graduated from military Navy Academy. My experience has helped me shape my abilities and skills as well as discipline. In addition, I was one of the few, who were selected for yearlong study in US Surface Warfare Officer College where I made friends from different cultures and backgrounds. To me, serving as a Captain was a great responsibility where I made sure that every crew member does their duty well, safely and on time. Needless to mention, that the efficiency of our job is dependent on our personal respect and professional responsibilities thus my open-mindedness has always helped me to build a pleasant communication with the crew. My experience working in international waters has helped me to expand my knowledge in maritime logistics. I treat my job in high regard and it will be a privilege to join your team. Thank you for considering my application.
