I was Born in 10.14.1975 in İzmir. I completed my first and elementary education in İzmir. After I graduated from İzmir Motor Technical and Vocational High School, I started my Associate Degree in Yıldız Technic University. After University education I joined Turkish Navy Forces. I worked on various types of Naval Ships as Assistant Machine Engineer. In 2009 I assigned to Turkish Coast Guard Command. I worked on various types of high and mid power marine engines like MTU, AGO, VOLVO, JohnDeere, Yanmar, Honda, Evinrude, Johnson, Tohatsu etc. as Chief Master. In 2021, I assigned to Çanakkale, I worked as a Technical Manager of 15 coast guard ships in the region. I was responsible for planning and completing all kinds of maintenance and repair operations of the ships.
