SUMMARY

As a candidate oceangoing watch keeping officer I am eager to learn as much as I can in this industry. I am hardworking, passionate, problem solver, young, dynamic and open to self-development as a deck cadet with successful contract experience, I believe it is time to work under more professional and better standards.

I grew up with a lot of technology and since I am a person who loves to learn, I improved myself with self-study. I can keep up with newest technologies.

To sum it up, I would be honored to complete my internship such an accomplished company under the best circumstances you offer. I look forward to work with your company to prove myself.
