#### About Me

Dear Sirs, I am writing to express my interest in the position of Master. Having four years of experience as a captain on tankers for the transportation of oil, chemicals and products around the world, I am very glad to have the opportunity to contribute to your team. My last graduation ended in 2018, when I received a Specialist degree in navigation. Since 2002, I have mainly worked on Handy type vessels with deadweight of up to 46,000 tons, with a Framo pumping system and cargo tanks with epoxy coating. From 2007 to 2012, I worked at Interorient Marine Services as second officer and chief officer. From 2012 to 2022, I worked at NSB Niederelbe Schiffahrtsgesellschaft mbH & Co. KG with head office in Buxtehude (Germany), where in 2019 I was promoted to the position of Master. During my career, I accumulated a lot of experience working with the Framo pump system. Also, I took part in five Dry docks, last two as a Master. Main trade areas were North-Western Europe, Mediterranean, North Atlantic, Western coast of USA, Western Africa. I took part in several STS operations off the east coast of England, Gibraltar and West Africa. After my previous company NSB sold most of its tanker fleet, I am looking for a reliable and stable company to continue my career. I am confident that my experience and skills make me a strong candidate for this position. Thank you for considering my request. Sincerely, Sergiy Bily.
