About Me

More than 20 years of experience in the international maritime industry. Wide experience in the operation and maintenance of various Diesel Engine, automatic control systems, cargo systems, different types of pumps, hydraulic system, Fuel separators, Air Conditioning systems and refrigeration systems. I like to communicate with many people and also can work either independently or as part of team. I am also initiative, hardworking and eager to learn. I improve my life with a simple but effective lifestyle, I always seen every an opportunity must not to be wasted. Lastly I am a responsible person, I always give my best to finished my jobs. I am willing to work under pressures and be ready to work with challenges. I will try to do the best and do to follow the company policies to learn as quick as possible.
