

ENAMM
ALMIRANTE MIGUEL GRAU

CURRICULUM VITAE

JARA REYES

RONALDO BENIGNO

4°-year Deck cadet at Merchant Marine Academy “Almirante Miguel Grau”. Responsible, hardworking, and self-motivated cadet, with good academic level in scale to improve on board and social skills to get excellent results in every job condition. My academic development is determined by the good performance I have had since I got into ENAMM.

I consider I am trustworthy because I think it helps people feel safe and comfortable knowing that their trust won't be exploited; resilient because although I can have problems or difficulties in my life I always give my best and in a lot of cases I achieved my goals; and committed because I always try to show how dedicated I am developing my tasks and in my opinion if I don't work now, I won't succeed in the future.
