Documents and further information:

I am an experienced Electrical Engineer on a container vessel. I like the buzz of being able to provide good service and to ensure that all electrical equipment onboard is in good condition and well maintained.

I have travelled abroad many times and I have no issue with being away from home for long periods of time. I am organized and pay attention to detail, I like to ensure that I do the best that I can in my work. I have excellent communication skills and work well in a team environment.

My CV shows in detail my skills, experiences and qualifications. If you have any questions relating to my previous work history, please do not hesitate to contact me and I will be happy to answer any questions that you have.
