#### About Me

Hello. My name is Ivan. I'm from Ukraine. I studied at the Kiev branch of the Kilia Transport College as a Navigator, got a Junior Specialist. Then I entered the Kiev State Academy of Water Transport named after Hetman Pyotr Konashevich-Sagaidachny and am now studying in the 3rd year. I like my profession, I try to remember everything that people with the highest experience in navigation tell me, and soon I will try to surpass them altogether, but these are just thoughts:) I will be glad if you have any questions. I am waiting for you!!
