### Additional information

I'm a 2nd, 3rd Engineer with over 5 years experience onboard vessel. I have worked in harsh, challenging and high stress environments. Marine companies which I have worked they are know me as a highly motivated, professional engineer with the highest standards in safety of people and the environment. I have developed a good depth of technical knowledge in marine systems and equipment, which enable me to competently troubleshoot any technical issues and lead technical projects. My experience has provided me with strong organizational skill. I also consider myself approachable and good communicator, with a great eye for detail. Experience with ship engines: Caterpillar, General Electric, ABC, Niigata, MAK, MAN, Deutz,
