Additional information

My name is Jeyhun Zeynalov and I have started to create my career from 2005, so I have over 14 years experience as ETO in merchant and offshore vessels. Since 2009 I have been working on different type of offshore vessels such as: PSV, AHTS & OSV and all sailing records has been noted in my Seaman book. Throughout my career I have shown myself to be a highly qualified specialist. I have positive references from all my previous place of employment. I have come through multiple inspections of vessels (Flag state, Port state, ABS) without serious remarks to the electrical and electronic components.

EXPERIENCE

ETO - Well-stimulation vessel
