

Gökhan ÖZPiŞKiN

Chief Officer | Second Captain (*less than 3000 GT*)

GMDSS General Radio Operator (GOC)

SUMMARY

With 16 years of distinguished service in the Turkish Navy, I have accumulated extensive experience working in bridge and combat information centers on various types of vessels. Proficient in both paper and digital chart navigation, radar systems, communication equipment, ship maneuvering and management, security and safety procedures, personnel training and management, as well as operational and tactical planning and execution. Having completed all necessary courses and exams, I am fully prepared to transition to the commercial fleet. I aim to leverage my military discipline and expertise to enhance safety and operational excellence in the commercial maritime sector.
