Notes

Dear Sirs and Madams, I am writing to express my interest in the position of Master. With my extensive experience, work ethic, and teamwork skills, I believe I can be a valuable asset to your crew. As a Master, I have gained experience on various types of vessels, including oil products tankers, general cargo ships, bulk carriers, offshore support vessels, and mix crew. I have also worked with vessels equipped with cranes and obtained a Malta pilot exemption certificate. My Chief Officer experience spans 5 years, and during that time, I worked exclusively on oil products tankers. I carried crude oil and fuel oil. As a Master, I gained 11 years of experience across different vessel types, including oil products tankers, bunkering vessels, general/dry cargo vessels, and offshore support vessels. I transported oil products, general and bulk cargoes, containers, provided bunkering operations. On offshore supply vessel provided supply vessels, provided transfer persons between vessels, provided rig and unrig fenders from tankers which provided STS operations. I am proud to say that I have worked as a Master on various types of vessels, including general cargo, tankers, bulkers, OSV. And as important notification = All owners who worked with me have given me excellent appraisals and recommendations = . All my STCW certificates, COC, GMDSS, and oil tanker endorsements are valid until 2028. I also have a Master COC without restrictions and have endorsements from Antigua and Barbuda. I identify myself as a responsible, well-organized, hardworking, easy-to-learn, communicative, and honest person. I don't have any bad habits and have a good practical knowledge of ISM/ISPS and other maritime legislation. Best regards Captain Suleyman Mukhtarov
