Profile

Experienced Marine Mechanic with over 15 years of expertise in maintaining, repairing, and optimizing the performance of various types of vessels, including cargo ships, tankers, and bulk carriers. Proven track record of managing complex mechanical systems, ensuring safety, and enhancing operational efficiency in challenging maritime environments. Adept at troubleshooting, preventive maintenance, and providing technical support to ensure vessels remain in peak operating condition. Committed to delivering high-quality work and contributing to the success of maritime operations.
