- French : Advanced level
- English : Advanced level

QUALITIES

- Ability to solve problems
- Teamwork
- Thoroughness and precision
- Sense of responsibility
- Intuitive and passionate

SALAMA AHMED

1st Engineer Officer

-EXECUTIVE SUMMARY

As 2nd engineer, I work closely with the 1st Engineer in maintaining an efficient alert watch in the Engine Room and ensure that all of the technical equipment work smoothly.

My excellent attention to detail and self-starter mentality means I can think quick on my feet and keep calm when ship gets real.

Vessel	Type	GRT	ENG Power (Kw)	Rank	Sign-on date	Sign-off date	Duration
