Dear Sr./Ma'am,

I am contacting you regarding the position of Able Bodied Seaman that you have available. With my wealth of experience along with my work ethic and teamwork capabilities I believe I could be a great asset to you and your crew. As shown in my attached resume I have served in many different positions that fall under the umbrella of an Able Bodied Seaman giving me a very well-rounded skills set.

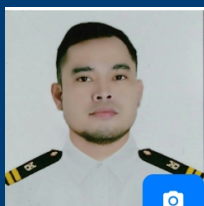

I am extremely conscientious in everything I do and I always ensure that jobs are done completely and correctly with no oversights. I have been in leadership positions many times but I am also able to take and fulfill orders given by others even peers. In order to be great at something you have to have a passion for it and I truly have a passion for the sea. This love of what I do allows me to maintain a positive attitude and demeanor no matter the circumstance.

If given the chance I am confident that I can fulfill all of the duties that this position requires. I look forward to discussing this matter further and will be available anytime you would like to talk or meet. Thank you for your time and consideration.

Regards,

Caunca, Herbert P
