Narciso Koman

Mechanic Motorman at Hexagon S.A | Expert in Routine Maintenance

Bata, Litoral, Equatorial Guinea

Summary

At Hexagon S.A., our team ensures the smooth operation of oil rig engines through meticulous routine maintenance and swift minor repairs. My role as a Motorman, bolstered by a Higher National Diploma in Oil and Gas, hinges on collaborating with Engine officers to uphold equipment integrity and safety.

With certifications in English proficiency and communication from Duolingo and LinkedIn, I bring to the table not only technical acumen but also the ability to engage and work effectively within diverse teams. My commitment to continuous learning and process improvement fuels my contribution to the organization's success.

Experience

Hexagon S.A

Mecanic Motorman

February 2016 - Present (8 years 8 months)

Guinea Ecuatorial

In charge of the day-to-day maintenance of engines on an oil rig. I perform preventive maintenance as well as minor repairs. While working alongside the Engine officers, I carry out most of the basic tasks in the engine room.

Education

National Institute of Hydrocarbon of Equatorial Guinea

Higher National Diploma, Oil and gas: Process and Mechanical · (January 2013 - January 2016)
