Work experience

Oct 2009 - Apr 2010

Steward
CHEMFLEET, EUROPE/ ALL PORTS

This career was my first job on sea .. chemical tanker was name KEREM D (GRT 6500)

May 2010 - Dec 2010

Steward
CHEMFLEET, All world countries

My second vessel also some chemical tanker it was name ZEYNEP A (GRT 10500)

Mar 2011 - Aug 2011

Steward
CHEMFLEET, All world countries

It was big chemical tanker in my career... I was alone in accommodation for be steward but I was like my job . It was name MED ATLANTIC (GRT 25000)

Jan 2012 - Jun 2012

Ordinary Seaman
CHEMFLEET, All world of countries

This contract was my first experience on deck and all was so good thanks a lot of to YM PLUTO Chemical tanker (Grt 6000)

Oct 2012 - Aug 2013

Ordinary seaman
CHEMFLEET, All world countries

I had won good experiences on deck in this vessel and all was nice reason of I had worked about 10 months on vessel (YM JUPITER Grt 15000)

Oct 2013 - Oct 2018

Chief steward (Camboss)
V.SHIPS ISTANBUL, TURKEY

This contract was my first offshore life .. I was camboss and there was many countries people on vessel Big managements Turkish Petroleum assist management was Polarcus ... 10 weeks on 5 weeks off system was some like that .. Vessel was seismic ship BARBAROS HAYREDDIN PASA.. GRT 4711

Dec 2018 - Feb 2019

Catering store keeper
AVS GLOBAL SHIP SUPPLY, Turkey

My best dream was Drill Ship and reason of I started to my new career with Avs but it was short because their of contract was not

good for my future Ship was name DS FATIH

Jun 2019 - May 2020

Able Seaman

[Vships Istanbul, TURKEY](#)

After Drill Ship I said to myself I will continue to be A/B for my career and I started to PSV for ableseaman Really was ery different experience for me I like to much Vessel was name PSV ALTAN GRT 2465

May 2020 - Dec 2020

Able seaman

[ATLANTIC \(Co Shipping \), Turkey](#)

I was continue to my career on PSV Altan with different companie .. PSV was some like love

Dec 2020 - Mar 2021

Able seaman (Rostobout, banks man)

[Global offshore Engineering \(GOE\), Turkey](#)

All was good on PSV but contract period days was changed after Corona it was so long for me I want change my vessel ..Finally I started to Ds KANUNI My position was rostobout, banks man , Able seaman but my new company contract was finished with TPAO. So Im open to new work for my future

06.21/02.2022

Skills

I had working on seismic vessel to be Able Seaman Vessel of name B.Hayreddin Paşa

Microsoft world

22.05.2022 Im working still on Drill ship Abdülhsmid Han with GOE and TPAO
