Dear Sir/Ma

APPLICATION FOR THE POST OF 3RD MARINE ENGINEER

I am submitting a letter to express my strong desire to be considered for the position of 3rd marine engineer in your organization.

I am very impressed with your company profile and vision, and this makes me interested in working in your esteemed organization, as I know you will prepare me towards reaching my career aspirations to achieve a chartered status and technical professionalism, as well as contribute immensely to the progress and future of your organization.

As you will note in my CV, I am a licensed marine engineer with OOW III/I unlimited, I have relevant work experience of (8) years in the marine industry. Five (5) years as a rating and three (3) years as an officer. And these have helped me hone my technical skills. These hands-on experiences enabled me to recognize my ability to work in an environment where the individual make a contribution as a member of a team.

My personal attributes include sound leadership and judgement, as well as creativity, analytical and troubleshooting skills. I interact productively with people from diverse backgrounds. I have a career history of achieving goals and quality work carried to timely completion.

I look forward with great sense of anticipation to working with you with the view of having a challenging career path, and would welcome any opportunity to meet with you to discuss how my education and experience might be best employed by your organization.
THANK YOU.

Yours faithfully

Faith inorin (07012545735, 08159903420)
