Work History

Marine Engineering Trainee 05/2020 – 07/2020

Kenya Ports Authority Mombasa, Kenya

- Assisted with the maintenance of fuel systems and associated components.
- Updated logs for onboard equipment and machinery following correct documentation procedures.
- Enhanced overall vessel cleanliness by performing daily maintenance tasks and routine inspections.
- Improved fuel consumption efficiency by assisting with regular engine room checks and adjustments.
- Completed thorough post-voyage cleanings to prepare the vessel for its next journey efficiently.
- Contributed to smooth vessel operations by promptly addressing any maintenance issues that arose.
- Ensured proper disposal of waste materials by following environmental regulations and guidelines.

Marine Engineering Trainee 05/2019 – 07/2019

Kenya Ports Authority Mombasa, Kenya

- Collaborated effectively with fellow crew members to complete assigned tasks quickly and accurately.
- Updated logs for onboard equipment and machinery following correct documentation procedures.
- Participated in drills and training exercises to enhance emergency response preparedness among crew.
- Assisted engineering team with repairs, contributing to reduced downtime during critical operations periods.
- Enhanced overall vessel cleanliness by performing daily maintenance tasks and routine inspections.
- Preserved the integrity of onboard water systems by routinely checking for leaks or damage in pipes, hoses, or fixtures.
- Aided in the prevention of fire hazards through constant monitoring of machinery temperatures and potential leaks.
- Excellent communication skills, both verbal and written.
- Cultivated interpersonal skills by building positive relationships with others.

Education

Bachelor Of Technology in Marine Engineering

Technical University of Mombasa

Kenya Certificate of Secondary Education (K.C.S.E)

Mwapa Elite Secondary School

Languages

ENGLISH, KISWAHILI

Personal Information

Passport Number: AK1244592

Date of Birth: 04/15/98

Gender: MALE

Nationality: KENYAN

Marital Status: SINGLE
