French ●●●●●

English ●●●●●

Profile

Graduated with Bachelor's Degree in Electromechanical and with my previous experiences; i am looking for a position as a Mechanic in maritime field or industrial. Thank you for contacting me.

Education

Engineer Officer in charge of watch / Bachelor's degree in Electromechanical

Sep 2010 - Aug 2013

ARSTM (Regional Academy of Maritime Sciences and Technologies), Abidjan

- Theoretical and practical studies of 2-stroke and 4-stroke diesel engines
- Training on the operation of boilers and turbines
- Theoretical studies of compressors, coolers and thrusters
- Training on industrial design and plan reading in Mechanics
- General information on parts manufacturing and shipbuilding
- Training in Electrical Engineering and Power Electronics etc ...
- Training in stools technologies and manufacturing

F3 Baccalaureate (Electrotechnicals) Technical School of Abidjan, Abidjan

Sep 2009 - Jul 2010

Training in Industrial Electricity

- Learning electrical wiring and reading electrical diagrams
- training on test measurements and automation
- Studies on bobbins, transformers, asynchronous motors, synchronous motors
- Grafcet etc.

Certificate of Secondary School

Sep 2006 - Jun 2007

Modern College in Abidjan, Abidjan

Employment

Offshore Motorman

Jan 2024 – Avril 2024

Vantage Drilling International/ICM Holding

- Control of air production system temperature and pressure level in compressor room,
- Control of cooling temperature and pressure, oil level in Engine room,
- Watch keeping of temperature and air pressure level in fan room
- Lubrication and cleaning of bearings and other mechanicals system
- Repairs and maintenance of diesel engines parts
- Housekeeping of Engine room, Compressor room and Fan room

Marine Mechanic (in board and out board)

Jun 2018 - Apr 2022

CARENA/Ship Repair, Abidjan

- * Assistance of specialist technicians for all work of:
- Disassembly and reassembly of diesel 2-stroke and 4-stroke engines for revision
- Repairs and maintenance of diesel engines parts
- Repairs and revision of turbofan blower and ship propulsion system
- Repairs of box cooler
- Revision of speed reducers and pumps
- Maintenance of hydraulics winches
- Manufactured of gasket and mechanic part
- Repair and installing of hydraulic pumps etc...

Cadet Electromechanic

Mar 2016 - Mar 2017

China Harbour Engineering Company; Chec 54

- * assistance of chief engineer for all operation of :
- Maintenance of diesel 2stroke and 4stroke engine
- Dismantling and cleaning of engine parts to repair
- Watching of engine speed and fuel level
- Manufactured of mechanics parts and repairs of fuel ignite pump
-

Hobbies

- Reading
- Research
- Meditation

Cleaning of rusty from ship and mechanics parts etc..

Electrician trainee

May 2017 - Nov 2017

SISTB (Wood Manufacturing Society), Divo

* Wiring of electrical engines according different kinds of engine starting:

- Start star triangle
- direct start

- Rotor start
- kick start
- stator start

Test of electrical equipment: power contactor, rifle, thermal relay

Measurement of: voltage, intensity, resistance.

Control of electrical engines.

Maintenance of electrical engines and installation.

Mechanic Engineering Trainee

Jun 2014 - Aug 2014

SIR: Ivoirian Refining Society, Abidjan

- - Watch and maintenance of boiler
- - Repair and installing of centrifugal pumps and volumetric pumps
- - Repair of turbines and monitoring of speed regulator system
- - Assistance of electrical and to cable electrical engine
- - Repair and maintenance of compressors
- - Manufactured of mechanical part
- - Assistance of electrical engine in pump alignment

Certificates

Certificate for familiarization and basic safety

Dec 2015

Certificate of qualification for elementary first aids

Jun 2020

Certificate of basic firefighting and fire prevention

Jun 2020

Certificate of competency in personal safety and social responsibilities

Jun 2020

Certificate of competency for ship Security officer

Nov 2019

Brevet of rating forming parts in watch an engine room

Extracurricular activities

MARINE SURVEYOR

Jun 2022 - Present

EB Service International, Abidjan

- Pre-purchase survey
- Bunkering: sounding of the quantities of Fuel Oil and Diesel Oil remaining after chartering vessels
- Faculty expertise: inspection of packages at unloading and control of moorings
- *
- Expertise corp: pre-sale inspection of vessels
