

ABOUT ME

I was born on 20.01. 2002. I started secondary school in 2008 and graduated from that school in 2019 with high results. In the same year, I was admitted to the Marine Navigation Engineering major of the Azerbaijan State Maritime Academy. I graduated from the academy in 2023. During my studies at the academy, I had experience on five ships. I have been selected from others by my perceptiveness and diligence as long as I have been in practice. Ability to cope with assigned tasks. I always finish what I start, I never leave it unfinished. I easily communicate with people, I can quickly adapt to the ship and the crew. I can work without supervision and effectively.
