## DESIRED EMPLOYMENT: (Able-seaman)

## PROFILE

My experience as an Able-Seaman has given me a wealth of knowledge and proven success as a highly motivated and experienced maritime professional with over 18 years of experience. Experienced in navigation, cargo handling, and maintenance, leading to safe and efficient operations. I'm a diligent and hardworking person. I have acquired the safety skills required by the International Maritime Organization. I am proud of my dedication to marine conservation, which is evident in my hard work and consistent commitment to the safety and well-being of crew members during critical situations. I am searching for a dynamic team where I can contribute my expertise and enthusiasm.
