Notes

I had been working with many Oil Company such as BP, Total, Shell, ExxonMobil, Gulf, Petronas, Petrobras, Gazprom and etc. Good experience in-line bunkering operations and personnel transfer at sea, carrying passengers up to 60 person's on board from port to prospect area at sea (including 10 person's crew). Providing a crew change for seismic vessels at sea via WB from Davit to Davit; towing experience of seismic vessels, search and recovery from sea surface of lost seismic equipment, close pass Oil Rigs with assistance to seismic vessel, guarding of seismic vessel from other traffic, guarding and patrolling area, safety-standby vessel. I am interested applying the job position in good company and I feel that my skills and experience a good match for the job requirements and I am attaching my resume for your consideration. With my experience in shipping industry, technical knowledge and strategy skills that all I have will be able to help the company. I am now looking for an opportunity that can enhance my skills and capability in company that I am willing to insert all my efforts and work hard to achieve goals and to be successful employers. I identify myself as responsible, well organized, hard-working, easy learning, communicable and honest person; do not have bad habits. I able to work under pressure and in severe environment. Always developing myself and motivating people around me. I will be much appreciated to get offer from you.
