Notes

Dear Sirs and Madams, With this letter, I am applying for Third Engineer Bulker, Container and AHTS/DSV vessels. I am a Certified Marine Engineer with over 15 years in the Marine Industry, Licensed Second Engineer directing the maintenance, operation, repair and troubleshooting of various ship machinery and equipment, engines, turbochargers, boilers, compressors, refrigerators, pneumatic and hydraulic components, pumps, deck machinery and their related systems, control etc. My experience as a second mechanic is more than 3 years. Able to work independently and as a part of a team. Highly motivated individual who takes initiative. Proficient in maintaining and monitoring diagnostics of the marine mechanical equipment. Quick learner and hard worker. I want to become involved in a new shipping environment, which enhances my knowledge and skills. Moreover, I would like to work within multinational teams and contribute to the successful running of a shipping company with reputation. I consider interdisciplinary tasks, continuing vocational training and a competitive environment as essential criteria for my future career development. For further evidence of my qualifications, I have enclosed my Application Form for review. Please, see attached files: 3 Eng Vladislav Babich CV I am looking forward to hearing from you. Best regards, Vladislav Babich
