Summary

I am good to High and Low Voltage electrical distribution systems. Power distribution systems (such as UPS/Inverter systems, EL Substations etc, Internal communication systems such as Telephone, PA systems, Safety systems such as repairs on Fire Detection, Fire Door and Water Tight Door Control and Indication System), Engine Room electrical systems, Hotel systems such as Elevators, Light systems. If some system new for me I can learn and understand the system quickly. I am quick learner, hard worker and team player.
