Good day Sir/Madame

My name is Thabang Ishmael Mamogobo, I am a 36 year old male from South Africa. I am currently looking for a position in your good company as an engineering officer.

I have a class 3 STCW C.O.C Unlimited (2010 compliant), including a Singapore, Hong kong, and Marshall Island equivalency for this License. I have been working as an engineering officer with Safmarine/Maersk Shipping Line since February 2012 till December 2016, and am currently employed on a contract basis for Marine Crew Services.

I am a dynamic, energetic and an experienced officer who works according to standard company procedures, STCW, and health and safety procedures to ensure that safety, security and environmental policies are obeyed.

I would like to enquire about any possible job openings in your company and hope my skills and ability would be of great value to your company

I look forward to hearing from you.

Sincerely

Thabang Ishmael Mamogobo
