

PROFESSIONAL CURRICULUM VITAE

ANOKE NDIKE NDIKE PATRICK
TEL: (+237) 650885043 /(+237) 671 025 043
EMAIL: anokepatri@gmail.com

Height: 174cm, Shoes: 43.
Status : Married

Marine Position: EOOW

Domain of competence

- Start, stop the generators, main engines and synchronize generators in parallel when heavy load needed. E.g for bow thrusters.
- Operates the purifier to purifier the fuel oil from the settling tank to the daily fuel oil tank.
- Carry out Maintenance & repairs in engine room and on deck machineries such as Diesel engines, Generator sets, Emergence generator, AC and refrigeration system, and refer containers and purifiers, and also connect compressor, motor pumps just to name a few.
- Good fault finding knowledge on Generator sets, Electric motors for pumps, purifiers and Engines as a whole.
- Assist in bunkering Operations and Pump out bilges and sewages.
- Cleaning of turbo charges, changing of filters (oil, fuel and air filters)
- Start & stop main engines and auxiliary generators by order from the Chief Eng. or 2nd engineer on board ship.
- Carry out watch and maintain minor faults and report major faults to the 2nd engineer.
- Carryout repairs and maintenance on laundry machines, electric stove and grilled machine, change fluorescent tube and reset any trip circuit.
- Cleaning of AC split systems, especially the sea water cool condensers and its air filters.
- Daily checked record of of all gauges onboard and oil level, fresh water and fuel level.
- Record Chief engineer weekly record on supply boat(Tug boat) and other vessels above 3000kw.

Professional Experience

Date	Company	Position	Ship type/ Engine type
29/07/2024 upto date	Peschaud Gabon. (YSE)	Chief engineer	Surfer/Caterpillar
07/02 2024 to 23/05/2024	Peschaud Gabon. (M/V Anne)	Chief engineer	Surfer/Caterpillar
12/10/2023 to 17/12/2023	Peschaud Gabon. (M/V Reymonde)	Chief engineer	Surfer/Scania
03/02/2023 to 16/09/2023	Peschaud Gabon. (M/V Madeleine)	Chief engineer	Surfer/Scania
19/10/2022 to 14/12/2022	Peschaud Gabon. (M/V Arlette)	Chief Engineer	Surfer/Scania
26/07/2022 to 25/09/2022	Peschaud Gabon. (M/V Raymonde)	Chief Engineer	Surfer/ Scania
01/10/2021 to 11/06/2022	Peschaud Gabon (Chloe)	Chief Engineer	Surfer/Caterpillar
10/08 to 30/08 (2021)	Apremar Cameroon (Lucrecia Angue)	3 rd engineer	Tug boat
30/06 to 28/07 (2021)	Apremar Cameroon (Lucrecia Angue)	3 rd engineer	Tug boat

2021 (14April - 22 June)	Promar Shipping services (M/V Mamola Champion)	3rd Engineer	Tug(MPSV)/ Cummins
May 2014 – Dec 2016	Bush Marine Services ltd	Marine Oiler/ Motorman	Tug Boat/ Catapillar and Detroit
2013 – 2014: (3months)	Jeocorner water shipping ltd	Cargo manager/ marine oiler or Motorman.	Cargo ship/ Passenger Ship
2013: (6months)	Atwood aurora (drilling)	Marine oiler /Motorman	drilling Barge
2011-2012: (13months)	M/V Jaki split	Marine oiler /Motorman	Tug Boat/Catapillar
2011: (3months)	M/V Sakumo Lagooh	Engine room assistant	Tug boat/Catapillar

Others:

Year	Company	Function	Position
(2020 to 2021)	Dangote Cement Cameroon	Heavy duty Sinotruk Mechanic	Maintain and repairs of heavy duty truck.
2019(6months)	Maxwell AC sarl	AC Technician	Maintenance & repairs of AC system, compressors, condenser, frequency converters
2018(3month)	Archdiocese of Futru Catholic Church Mission	Chief Mechanic	Maintenance & repair of Kipor heavy duty generator sets (KDE35SS) 3Phase Ultra Silencer
2006 – 2009	Etchi Grapics & AE Ventures	Electrical wiring & repairs of machines.	Tech. Electrician
2004 – 2006	Data Electrical engineering	mounting & dismounting of Air Conditioning systems	Technician

- ❖ Operates concrete mixers, generators, vibrators, water motor pumps, compacting machines for road constructions and buildings with AE Ventures Limbe- Cameroon.

Responsibility on Surfur

Incharge of engine room running.

Engines daily report.

Maintenance and repairs on engines, such as changing of parts, oil, filters.

Pumping out bilges, cleaning sea chest.

Bunkering operation and water refilling on board.

Responsibilities on vessels on tugs and bigger vessels.

- Carryout repairs and maintenance on Engines of various kinds, and electrical systems.
- Assemble & disassemble of machines parts.
- Cleaning of strainers, purifying equipment's and engine room.
- Change of oil and its filters, heat exchangers and intercoolers.
- In charge of generator running, pumps, valves opening and closing.
 - Input daily activities data of the Engine room into the log book.
 - Carryout wash in the engine room.
- Can lift up heavy object up to 80 pounds.

Responsibilities on trucks.

- Repair engines, change of; turbo charger, air shooters, booster just to name few.
- Change of clutch disc, pressure plate, gear box, fly wheel, (breaks lining, bushings, bearings, master cylinders, springs, break chamber just name to name a few).
- Changing oil, gas and air filters. Change radiators, turbo intercoolers, heat exchangers, and thermostat.
- Engine timing and fuel pump timing.

Professional Maritime Educational Profile

YEAR	SCHOOL	CERTIFICATE	
2017-2018	Regional Maritime University Ghana.(R.M.U)	Class 3 Engineer Limited & COC.	
2010-2011	Regional Maritime University Ghana (R.M.U)	Marine engine mechanic & COC.	
COCs Validity		Valid	Expires
R.M.U	EOOW(engineering officer of watch)	26.06.2018	25.06.2023
R.M.U	Able Seafarer (Engine). III/5	19.03.2018	18.03.2023
R.M.U	Rating forming part of and engineering watch. III/4	26.06.2018	25.06.2023

Maritime advance and Short courses

ISSUED DATE	SCHOOL	CERTIFICATE
22.02.2018	R.M.U, Accra- Ghana	Life boat
14.02.2018	R.M.U, Accra- Ghana	Personal Survival Techniques
05.02.2018	R.M.U, Accra- Ghana	Personal safety & Social Responsibilities
19.02.2018	R.M.U, Accra- Ghana	Security Awareness & Designated Security Duties
06.02.2018	R.M.U, Accra- Ghana	Fire prevention & Fire-Fighting
12.02.2018	R.M.U, Accra- Ghana	Elementary First Aid
14.11.2017	R.M.U, Accra- Ghana	Rating forming of a watch in a manned Engine room
19.03.2018	R.M.U, Accra- Ghana	Familiarization & Basic safety Training
19.03.2018	R.M.U, Accra- Ghana	Security awareness training
13.04.2018	R.M.U, Accra- Ghana	Liquefied gas tanker cargo operation
ADVANCE COURSE		
28.03.2018	R.M.U, Accra- Ghana	Survival Craft & Rescue Boats other than Fast Rescue Boat. Renewed
29.03.2018	R.M.U, Accra- Ghana	Adv. firefighting, A-VI/3, 1-4, Table A-VI/3. Renewed
28.03.2018	R.M.U, Accra- Ghana	Medical First aid. A-VI/4. 1-3, Table A-VI/4-1. renewed
16.03.2018	R.M.U, Accra- Ghana	High voltage management (HVM). Section A-III/6, Table A-III/6.
06.04.2018	R.M.U, Accra- Ghana	Engine room Resource Management(ERM). Conducted on the Kongsberg full mission Engine Room simulator Certified DNV of January 2011 (Base on Chapter III of STCW 2010, IMO Courses 2.07, 7.02, 704). Valide
23.03.2018	R.M.U, Accra- Ghana	Human Element & Leadership Management(HELM). Column 2 of Table A-II/1, AIII/1, A-II/2, A-III/2 and A-III/6 of the revised STCW 2010. Valide

Highest Educational Certificate

2006: Baccalaureate Technique in Air Conditioning and refrigeration in English.

Internship:

Year	Company Name	Position & Ship type
------	--------------	----------------------

2018	Jeocorner water shipping company	Assistant 3 rd Engineer in passengers/cargo ship.
2011: (3months)	Ghana Port & Harbour Authority	Marine Engineering Department in tug boat (AHTS)
2011- 2012 (3months)	Cameroon Development Corporation Tiko	Machine Designing, CDC Tiko Cameroon

Duties Performed

- Carryout repairs & maintenance as assigned by the Chief engineer or 2nd Engineer.
- Design of machine parts on lathe machines and cutting of key ways on shaft.
- Start and stop the main engines and auxiliary engines on board.
- Good fault finding knowledge on Gen-sets and Engines.
- Record chief engineer weekly running hours parameters.
- Record daily data of all parameters in the engine room. e.g. lubricating oil level in Gen-sets and engines, daily fuel oil level and aux. engine running hours just to name a few.
- Transfer of fuel from double bottom or wind tank to daily settling tank (Ballasting).
- Assist in fabrication of parts on lathe machine.
- Take readings of battery and density and check electrolyte level of the batteries
- Cleaning of sea chest strainers for high and low sea chest and my engines, auxiliary generators AC and Refrigerator sea water strainers.
- Pump out sewage system and bilge wells.
- Give a daily report to the chief engineer or OOW concerned with performance of various machineries onboard.
- Changing of main and auxiliary engines filters.
- Assist in bunkering Operations, Pumping out bilges and sewages.
- Weekly starting of FRC (fast rescue crew boat) and emergency generator for testing.

Hobbies

- Adventures, like new technology on marine diesel engines and marine world as a whole traveling, Swimming, reading, cooking/baking.
- Driving license category B(CMR)

Others

- Air condition technician HVAC, Industrial electrician, fitter.
- Fitter machinist (lathe machine (installation, repairs and maintenance).
- Heavy duty mechanic for trucks (Tippers, trailers and bulk trucks).

Other certificates

- **St. Vincent & the Grenadines** Endorsement and it seaman's book issued on **15/07/2021** to **14/07/2026**.
- **Seafarers medical certificate** done in Gabon by a recognized medical practitioner **Dr.Bouwe N. Emile. F** valid for 1(one)year.
- **HUET (helicopter underwater escape training)** done in Gabon at **Hydro oil & Gas Training center of securities training** on **28/02/2024** for **4years** validity.
