Documents and further information:

Chief Officer Karpovych Vitaliy, born in Ukraine, Mariupol, Donetsk region, began his career as a 3rd officer in the Greek company Navarone S.A, was transferred to the position of 2nd officer. The last two contracts I worked as Chief Officer in the Indian company Dockendale Ship Management, with a crew from India and the Philippines. The ships worked all over the world and transported such cargo as: grain, metal, coal, petcoke, soda ash, fertilizers. Knowledge of English is good. When full-scale military actions began on the territory of Ukraine, I moved to live in Italy. I want to work as Chief Officer in a good company.
