Notes

I am 36 years old. I have been working at sea since 2006. Married, three children. I live in the city of Kaliningrad. I have extensive experience as a engineer in the offshore fleet, I have two maritime education: electro engineer and ship's engineer. Eight years worked on a ship carrying emergency rescue duty near the oil platform. Great experience of reception and pumping of different kinds of cargoes and liquids. I work as a second engineer. I have experience of work on ships with DP1 system. I am not afraid of work, I am confident, communicative. The level of English is intermediate. Repeatedly was on repairs of vessels. Experience with MAK, Caterpillar, Wartsila, Sulzer, Volvo, Wichmann engines. I have a diploma of the second engineer without restrictions, all kinds of documents in hand. Last two contracts on the Research Vessel working in Vietnam. CES test 90%. Medical commission until 26.02.2025. At the moment I am waiting for a Schengen visa (Netherlands), when the visa is ready I am ready to start working. Ready to work in full from 10.11.2024.
