Notes

With 24 years of hands-on experience in mechanical engineering, including 10 years as a Chief Engineer, I am confident in my ability to contribute significantly to your team. Throughout my career, I have developed a strong foundation in mechanical maintenance, specializing in overhauling engines, boilers, compressors, pumps etc. My experience in managing teams of up to 30 individuals has equipped me with excellent leadership and communication skills. I am adept at prioritizing tasks, delegating responsibilities, and ensuring efficient operations. I believe my skills and experience would be a valuable asset to your team, and I am eager to contribute to your ongoing success. Thank you for your time and consideration. I have attached my CV for your review and would welcome the opportunity to discuss my qualifications further in an interview.
