<b>Speciality:</b>	ETO	<b>Knowledge of other languages:</b>	English

### Next of Kin

<b>Next of kin:</b>		<b>Kin phone:</b>	
<b>Kin name, Surname:</b>		<b>Kin address:</b>	

### Notes

Good day Sir, Kindly please find attached my resume for your consideration. I feel my profile may be of interest to you, because: - I have two higher educations in electrical engineering. - Before starting work on sea vessels, i worked at a nuclear power station in the position of Electrical Engineer and was responsible for protecting and configuring the automation process. - For the last 10 years, my professional activity has been connected with the repair and maintenance of electrical equipment on sea vessels of different type. - I had experience in repair and servicing many various equipment from different makers. For example: Man-B@W with electronic control., Caterpillar, Daihatsu, Yanmar, Mitsubishi - for Main and Auxiliary engines Mitsubishi, MacGregor, Liebherr - for main deck heavy and provision crane. Furuno -for navigation equipment. Kongsberg, SW electronic, Natbesu - for ME navigation and control system. Mitsubishi, SaierNiko - for Main and Emergency electrical switch boards. Consillium - for Fire detection and alarm system. Many different makers for electrical motors. Yara - Scrubber. Erma First, Tech Cross, Alfa Laval - for Ballast water treatment system. And etc. Also, i have high communication skills, which allows me to work with crew of different religions and political view without any problems. I constantly developing my skill and learning new technologies. Thank you for your attention. Best Regards ETO, Umanskii Viktor.
