**NOTE:**

During my time as Technical Superintendent, I have had done 02 drydocks:

**MT Jane Asphalt** - Drydock done in Turkey started in GEMAK SHIPYARD and completed in DESAN SHIPYARD. 220 tons of steel replaced, Hull preparation & coating, St. gear & rudder, Propeller shafting and st tubes, anchor & cables, deck machinery, Main & Aux engines, Nautical communication, Electrical system, Cargo equipment, BWTS Plant installed, piping, others.

**MT Moyra** - Drydock done in Brazil ESTALEIRO ATLANTICO SUL. Hull preparation & coating, Rudder pintled bearings installed, 40 tons of steel replaced. Accommodation, piping, Anchor & cables, others.

During my time in **Windstar Cruises**, the 2nd Eng. Position is the second in command in the Engine Room after the Chief Engineer, the 1st Eng position was opened in July 2019, and I Was in charge of the Engine Room Operations / Maintenance and advise on maintenance for the Hotel Services for guest satisfaction in conjunction with the Hotel Engineer.

Also, I was performing as 2nd Eng / Hotel Engineer one time on board MV Star Legend and twice on board the MSY Windsurf

I was the 2nd Eng (Second in command) during the taking over and opening of the Star Class Vessels (Star Pride / Star Legend)
