Remarks: I was employed with Exmar Shipmanagement (Mumbai) as Master since 2017 and my last Cape Sized Vessel M.V. El Grasso was the only remaining Bulker with them, the rest being LPG/LNG carriers.

Hence, I lost re-employment with Exmar Shipmanagement.

The above referees will confirm this fact and will vouch of my ability as Master including vessels' management.

Crew of All ships managed by Seavie were Indians and I was the only Sri Lankan employed by them and I was employed directly by them.

The Crew Manager of Exmar Shipmanagement (India) Mr. Sanket Yeole (Mob/WhatsApp: +91 98690 67588), could also be contacted regarding my good Management of Indian Crew on board.
