Dynamic Positioning Operator (DPO) Profile

Certified DPO with extensive experience in DP operations utilizing Kongsberg, GE Energy, and L3 Systems. Proven track record in collaboration with leading global energy companies, including Woodside Energy, Chevron, ENI, Azule Energy (a BP and ENI joint venture), Qatar Energy, and ONGC.

Offshore Expertise:

Installation Types: Extensive operational experience across various offshore installations, including FPSOs, offshore rigs, platforms, barges, and drill ships.

Operations: Skilled in complex offshore operations such as tanker lifting, static towing, rig moves, anchor handling, and offshore supply-passenger transfers.

Technical Proficiencies:

Navigation Systems: High-level proficiency in the management and maintenance of advanced navigation equipment, including ECDIS (Electronic Chart Display and Information System) and publications.

Safety Systems: Expertise in the care and maintenance of LSA (Life-Saving Appliances) and FFA (Fire Fighting Appliances).

Leadership & Vessel Management:

Safety & Security: Strong skills in safety management and security organization onboard, ensuring compliance with international maritime standards.

Vessel Handling: Extensive hands-on experience in handling vessels equipped with azimuth thrusters and CPP (Controllable Pitch Propeller) twin screw thrusters.

I declare that the information I have given is, to the best of my knowledge, true and complete. I also declare that the documents submitted are genuine, given and signed by persons whose names appear on them.

SREENU SANKAR

A handwritten signature in black ink, appearing to read 'Sreenu Sankar', with a long horizontal stroke extending to the right.
