Summary

Experienced maritime professional with a strong background in offshore operations, vessel management, and maritime safety. Adept at overseeing vessel navigation, managing offshore fleets, and ensuring compliance with international maritime regulations. With a Bachelor's degree in Marine Transport, multiple STCW certifications, and years of experience as Chief Officer, Port Captain, and General Manager, I am well-equipped to contribute to operational excellence in maritime and offshore sectors. Known for strong leadership skills, safety management, and the ability to adapt to diverse environments. Eager to leverage my expertise in maritime operations and fleet management to achieve company goals.

Skills

- Maritime Navigation & Safety
- Vessel Operations Management
- Offshore Fleet Management
- Emergency Response & Fire Fighting
- Security Awareness & Port Security
- GMDSS (Global Maritime Distress & Safety System)
- Communication & Leadership
- Crew Management & Training
- Project Management
- Decision Making & Problem Solving
- Safety Management & Risk Assessment
- Technical Proficiency (ECDIS, Radar, ARPA)
- Cargo Operations & Logistics
- Marine Pollution Prevention
- Client & Stakeholder Relations

CORE COMPETENCIES

- Maritime Navigation & Safety
- Vessel Operations Management
- Offshore Fleet Management
- Emergency Response & Fire Fighting
- Security Awareness & Port Security
- GMDSS (Global Maritime Distress & Safety System)
- Crew Management & Training
- Project Management & Decision Making
- Marine Pollution Prevention
- Advanced Radar & ARPA Systems
- ECDIS (Electronic Chart Display & Information System)

EXPERIENCE

• General Manager – Offshore Fleet

April 2017 – June 2024

Redsea Company

- Lead the offshore fleet operations, ensuring the safety and operational efficiency of all offshore assets.
- Manage a team of technical, operations, and safety personnel, overseeing daily offshore activities.
- Develop and implement strategic initiatives for the company's growth in offshore services.
- Ensure compliance with international maritime regulations and local laws.
- Coordinate with clients and suppliers to optimize fleet operations and performance.

- **Operations Manager & DP & C.S.O. – Offshore Fleet**

January 2015 – April 2017

Redsea Company

- Oversaw the operations of offshore vessels, including dynamic positioning (DP) systems.
- Managed fleet scheduling, maintenance, and crew assignments for offshore projects.
- Implemented safety and environmental protocols in compliance with maritime regulations.
- Led emergency response training and coordinated safety drills across the fleet.

- **Port Captain – Offshore Fleet**

March 2014 – January 2015

Misrgulf Shipping

- Managed offshore fleet operations and coordinated vessel movements in port.
- Ensured port safety, compliance with customs and immigration procedures, and cargo handling.
- Developed procedures to improve port efficiency and minimize downtime.

- **Chief Officer**

Misrgulf Shipping

March 2012 – March 2014

Misrgulf 9 AHTS

- from 20/3 /2013 To 20/3/2014

MISR GOLF 6

- From 11/10/2012 To 15/03/2013

MISR GOLF 11

- From 10/06/2012 TO 29/09/2012

Misrgulf 9 AHTS

- From 11/03/2012 To 01/06/2012
- Supervised vessel operations, including navigation, cargo handling, and crew management.
- Ensured compliance with safety, operational, and regulatory requirements during offshore operations.
- Led emergency drills, fire-fighting exercises, and implemented safety protocols.
- Worked closely with the management team to ensure operational readiness and efficiency.

- **2nd Officer**

January 19, 2011 – May 26, 2011

- Wadi Alarab (Panamax, 70,000 tons) | National Navigation Company
 - Assisted in the navigation and operation of a Panamax vessel, ensuring the safe and efficient transportation of cargo.
 - Managed cargo operations, supervised bridge watchkeeping, and supported the Chief Officer in maintaining vessel safety standards.
 - Contributed to voyage planning, route optimization, and compliance with international maritime regulations.
 - Coordinated with the crew to ensure timely and efficient vessel operations while adhering to safety protocols.

- **3rd Officer**

January 9, 2007 – May 6, 2007

Edfu (Panamax, 70,000 tons) | National Navigation Company

- Assisted in the navigation and safe operation of a Panamax vessel, ensuring the efficient transport of cargo.
- Managed watchkeeping duties, monitored navigational equipment, and supported the Chief Officer in daily vessel operations.

- **3rd Officer**

October 25, 2007 – December 30, 2007
