SKILLS

ENGLISH LEVEL / B2 / INTERMEDIATE

In section, I will present images of the ships I have with, along with visuals of the cargo we have loaded. Each image reflects significant aspect of my maritime career. I invite you to these experiences and insights from my journey in the maritime industry.

From 2000 to 2024, I operated vessels with a deadweight tonnage ranging from 5,000 dwt to 50,000 dwt. This extensive journey, encompassing both regional international routes, spanned a total of 24 years. My insights into ship stability and navigation are rooted in practical experiences and reflect valuable learned throughout my maritime career.
