ABOUT ME

I am a dedicated and hardworking professional with a Bachelor's degree in Shipbuilding and Ship Repair Engineering. Currently working as an Able Seaman (A/B), I have several months of hands-on experience in maritime operations. My background in engineering provides a solid foundation for understanding complex vessel systems, and my practical experience as a seaman has honed my skills in navigation, maintenance, and safety procedures. I am committed to contributing to the efficiency and safety of maritime operations and am eager to leverage my technical knowledge and practical experience to advance in the maritime industry.
