ABOUT

I have 30 years of experience in the Maritime, Ship Agency, Port Operation sectors. After working for many years, I continued to work as a manager in the Ship Agency company where I retired.

During my employment, I specialized in the processes covering the entire process such as establishing the necessary contacts with domestic and foreign customers and ship owners, correspondence, preparing offers and proforma invoices, carrying out all operational transactions during the ship port stay processes, preparing final accounts during the ship departure, and following up on payments.

I have coordinated crew change procedures.

I also have experience in the following subjects:

- Project shipping experience
- Cross country trade and shipment experience and sending to all location around the world.
- Knowledge of import and export rules and experience dealing with customs globally.
- Courier/truck/sea transport experience
- Oversized cargo transport experience
- Experience in getting quotes and in negotiating with forwarders and in reaching agreement with them.
- Participating in international sectoral fairs, promoting the company and finding new customers and suppliers.

I have no travel restrictions, I am special passport holder, I don't need visa for shengen countries.
