Cook/chef

“**Salamander**” gullet Bodrum

It was a deluxe boat that chartered in the basement. Since the cooks had to leave the boat for a short time due to forest fires. I cooked for the guests and staff for 7 days, I went to some kind of extra work and received a daily salary and tip.

2021

Cook/chef assistant

“**Destiny**” motor yacht, Bodrum

I got a Job as an assistant cook on a motor yacht charter for 1 month; however, the person they hired as a head chef had no charter experience and left the job. 7 staff members and 7-8 VIP

guests were served for 20 days, I made their meals and desserts, and it was over after the time was up. There we also met Ercan captain, the first person of my references.

2022

Cook/chef

“Lamola” motor yacht, Fethiye Gocek

It was the private boat of an Israeli businessman and we worked under a 2-month contract; We were 5 personnel. including 2 stewardesses, 1 sailor, 1 chef (me) and the captain. In the first month, only one person served the boss. There was a standard meal principle, sushi sashimi, raw fish and olive oil, and barbecue in the evening. In the 2nd month, his wife, grandchildren and children came, they became 10 people, and the tour was over. we went to Rhodes and my contract was over and I left.
