CURRICULUM VITAE

Position Applied: Engine Cadet

Objective: I am eager to join your respected shipping company, where I can leverage my existing skills and knowledge to contribute meaningfully to your operations. By working with your team, I aim to enhance my expertise in the maritime industry further, learning from experienced professionals and engaging in new challenges. This opportunity will not only allow me to apply my capabilities in a practical setting but also broaden my understanding of the industry, helping me grow both personally and professionally while making valuable contributions to your company's success.
